**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Please stop AT&T from being a monopoly again. Please keep competition alive. I previously used DSL but am currently a Fiber customer because of competitive providers like Sonic. Ive used AT&T for many years and they keep raising prices before there was competition. With competition available, more customers are moving away from the monopoly. Dont let them grow so big and have to come in and break them up like the Bell days.

Thanks for the listening to real customers with fiber.
